Additional Information

Scope/range related to performance criteria The details in this field are explanatory statements of scope and/or examples of possible contexts in which the NOS may apply; they are not to be regarded as range statements required for achievement of the NOS.

The use of the terms 'child' or 'children' in this standard may refer to your work on an individual or group basis.

Note: Where a child or young person finds it difficult or impossible to express their own preferences and make decisions about their life, achievement of this standard may require the involvement of advocates to represent the views and best interests of the child or young person.

Where there are language differences within the work setting, achievement of this standard may require the involvement of interpreters or translation services.

Children are those with whom you are working, except where otherwise stated **Families** includes parents (mothers and fathers) and carers and extended and chosen families who contribute significantly to the well-being of babies, children or young people and who may or may not have legal responsibility **Others** are your colleagues and other professionals whose work contributes to the child or young person's well-being and who enable you to carry out your role **Protocols** may include: access to information, data protection, confidentiality, safeguarding, the use of assessment frameworks and integrated children's systems, storage

The **work setting** may be in someone's home, within an organisation's premises, in the premises of another organisation, out in the community
