SCDCCLD0433 Prepare the childcare setting for regulatory inspections

Overview

This standard is about meeting regulatory requirements within a childcare setting, according to the requirements of your home country. It covers planning for inspections, evidence gathering, identification of gaps and taking appropriate actions to meet requirements. The inspections may be in relation to education provision or social care.

Prepare the childcare setting for regulatory inspections

Performance criteria

Identify regulatory requirements

You must be able to:	P1 P2	reflect on the purpose and expectations of an inspection explore with staff the regulatory standards to which the setting is expected to adhere
	P3	audit the systems within the setting routinely to ensure that they are meeting regulatory standards
	P4	communicate with your staff the purpose and benefits of the regulatory requirements and inspections
	P5	clarify with staff the scope of what the inspection will cover
	Plan for i	inspection in consultation with colleagues
You must be able to:	P6	ensure that your staff are made aware of the policies and procedures employed in the setting that are in line with regulatory requirements and current best practice
	P7	make information and guidance on inspections available to colleagues
	P8	work with your staff to ensure they are confident in their knowledge of policies and procedures in carrying out their work as part of the culture of the setting
	P9	ensure that all policies are kept up to date and in a location known to all staff
	P10	offer your staff the opportunity to understand examples of best practice as part of their professional development
	P11	ensure that colleagues understand their individual responsibilities in relation to inspection
	P12	support staff to feel confident in the language used in inspections to describe roles and responsibilities of those caring for the children
	P13	clarify with staff how to comply with the conditions of registration and inspection
	P14	identify with staff where there are potential weaknesses
	P15	offer staff the opportunity to consult previous inspection reports, where appropriate, and use them to raise standards in the workplace, in readiness for future inspections
	P16	work with staff to prepare an inspection plan
	P17	ensure that curriculum and care plans meet regulatory requirements and children's needs
	P18	prepare and complete any forms associated with the inspection

P19 inform families that an inspection is due and that they will be consulted and their views sought by inspectors or regulators

	Take app	propriate action to meet requirements
You must be able to:	P20	carry out an audit of the premises and make arrangements for any necessary adjustments to be completed prior to the inspection
	P21	liaise with staff to ensure that personal details are correct and up-to- date
	P22	ensure that records of children's development are based on observations and are complete and up-to-date
	P23	carry out an audit of equipment and resources provided for children to ensure they meet health and safety requirements and are fit for purpose
	P24	review written plans and amend where necessary to ensure they meet child and setting objectives
	P25	ensure records of children's attendance, sickness and absence and their contact details and significant information are up-to-date, checking with parents and families where necessary
	P26	keep accurate records of meetings and discussions
	Collect r	equired evidence
You must be able to:	P27	review the different sources of evidence that could be put forward to demonstrate compliance with regulatory requirements
	P28	enlist the support of others in identifying evidence which has been overlooked and which meets standards
	P29	ensure that written plans are available for inspection or regulation
	P30	ensure that policies in relation to the care and protection of children are available for inspection
	P31	provide documentary evidence of compliance with health and safety, environmental health and fire regulations
	P32	ensure that information relating to staff, their qualifications, health status and levels of responsibility is made available for inspection
	P33	ensure that records of children's care and developmental progress are available for inspection
	P34	ensure that management systems are in place
	Review t	he recommendations from inspections
You must be able to:	P35 P36	evaluate the recommendations from the inspection compare the recommendations with the assessment you had made prior to inspection regarding compliance and gaps
	P37	encourage staff in areas of good practice within the setting
	P38	agree with staff a plan to meet recommendations

Knowledge and understanding		
You need to know and	Rights	
understand:	K1	legal and work setting requirements on equality, diversity, discrimination and rights
	K2	your role in promoting children and young people's rights, choices, wellbeing and active participation
	K3	your duty to report any acts or omissions that could infringe the rights of children and young people
	K4	how to deal with and challenge discrimination
	K5	the rights that children and young people have to make complaints and be supported to do so
	K6	conflicts and dilemmas that may arise in relation to rights and how to address them
	Your pra	ctice
You need to know and understand:	K7	legislation, statutory codes, standards, frameworks and guidance relevant to your work, your work setting and the content of this standard
	K8	your own background, experiences and beliefs that may have an impact on your practice
	K9	your own roles, responsibilities and accountabilities with their limits and boundaries
	K10	the roles, responsibilities and accountabilities of others with whom you work
	K11	how to access and work to procedures and agreed ways of working
	K12	the meaning of person-centred/child centred working and the importance of knowing and respecting each child or young person as an individual
	K13	the prime importance of the interests and well-being of children and young people
	K14	the child or young person's cultural and language context
	K15	how to build trust and rapport in a relationship
	K16	how your power and influence as a worker can impact on relationships
	K17	how to work in ways that promote active participation and maintain children and young people's dignity, respect, personal beliefs and preferences
	K18	, how to work in partnership with children and young people, key people and others
	K19	how to manage ethical conflicts and dilemmas in your work

	K20	how to challenge poor practice
	K21	how and when to seek support in situations beyond your experience and expertise
You need to know and	Theory f	or practice
understand:	K22	The nature and impact of factors that may affect the health, wellbeing and development of children or young people you care for or support
	K23	theories underpinning our understanding of child development and factors that affect it
	K24	theories about attachment and its impact on children and young people
You need to know and	Persona	I and professional development
understand:	K25	principles of reflective practice and why it is important
	K26	your role in developing the professional knowledge and practice of others
	K27	how to promote evidence based practice
You need to know and	Commu	nication
understand:	K28	factors that can affect communication and language skills and their development in children and young people
	K29	methods to promote effective communication and enable children and young people to communicate their needs, views and preferences
	Health a	nd Safety
You need to know and	K30	legal and statutory requirements for health and safety
understand:	K31	your work setting policies and practices for monitoring and maintaining health, safety and security in the work environment
	K32	practices for the prevention and control of infection
You need to know and	Safegua	rding
understand:	K33	legislation and national policy relating to the safe-guarding and protection of children and young people
	K34	the responsibility that everyone has to raise concerns about possible harm or abuse, poor or discriminatory practices
	K35	indicators of potential harm or abuse

	K36	how and when to report any concerns about abuse, poor or discriminatory practice, resources or operational difficulties
	K37	what to do if you have reported concerns but no action is taken to address them
	K38	local systems and multi-disciplinary procedures that relate to safeguarding and protection from harm or abuse
You need to know and	Multi-dis	ciplinary working
understand:	K39	the purpose of working with other professionals and agencies
	K40	the remit and responsibilities of other professionals and agencies involved in multi-disciplinary work
	Handling	information
You need to know and understand:	K41	legal requirements, policies and procedures for the security and confidentiality of information
	K42	legal and work setting requirements for recording information and producing reports
	K43	principles of confidentiality and when to pass on otherwise confidential information
	K44	how to record written information with accuracy, clarity, relevance
	K45	and an appropriate level of detail how and where ICT can and should be used for communicating,
		recording and reporting
You need to know and	Leading	practice
understand:	K46	theories about leadership
	K47	standards of practice, service standards and guidance relating to the work setting
	K48	national and local initiatives to promote the well-being of children and young people
	K49	lessons learned from government reports, research and inquiries into serious failures of health or social care practice and from successful interventions
	K50	methods of supporting others to work with and support children and young people, key people and others
	K51	how to contribute to the development of systems, practices, policies and procedures
	K52	techniques for problem solving and innovative thinking

You need to know and understand:	Risk management		
	K53 K54	principles of risk assessment and risk management principles of positive risk-taking	
You need to know and	Specific	to this NOS	
understand:	K55	why it is important to plan in advance for inspections, and how to involve your staff in the planning process	
	K56	regulatory and employment requirements for regulation	
	K57	the different policies, procedures, records and documents that will provide evidence against regulatory requirements	
	K58	why it is important to inform parents of an impending inspection	
	K59	where to obtain information about the requirements for inspections	

Prepare the childcare setting for regulatory inspections

Additional Information

Scope/range related to performance criteria	The details in this field are explanatory statements of scope and/or examples of possible contexts in which the NOS may apply; they are not to be regarded as range statements required for achievement of the NOS.
ontena	Note: Where a child or young person finds it difficult or impossible to express their own preferences and make decisions about their life, achievement of this standard may require the involvement of advocates to represent the views and best interests of the child or young person.
	Where there are language differences within the work setting, achievement of this standard may require the involvement of interpreters or translation services.
	A location can be a known and established place within the setting for storing paper copies of policies and procedures. Alternatively they can be stored electronically on the setting's website in a space for which all staff have access to
	Regulatory standards are those against which you are regulated and inspected for your specific setting within your home country
	Routinely can include team meetings, quarterly etc. Critically, it means that inspection should not be the catalyst for ensuring that the setting is compliant. Best practice should be a daily concern
	Systems may include premises and equipment; policies; the provision of food and drink, including the guidelines for healthy eating; health and safety, including those for first aid and fire safety; colleagues' numbers/ratios, suitability and qualifications; management of information systems and records, including those of confidentiality; curriculum requirements for babies and pre-school children; supervision records; personal development plans for staff

Written Plans can be child care plans, curriculum development plans, children's learning plans, lesson plans, etc
