Evaluate the effectiveness of health, social or other care services

### **Overview**

This standard identifies the requirements when you evaluate the effectiveness of health, social or other care services. It includes working with providers of health and social care services to ensure that they are delivering the quality of service specified in their contracts. It also includes identifying ways in which the overall quality, outcomes and cost-effectiveness of services can be improved.

### Evaluate the effectiveness of health, social or other care services

# Performance criteria

### Manage the performance of providers of services

#### You must be able to:

- P1 agree with providers the information required to monitor **key performance indicators** for **services**, the format required and the
  intervals at which the information should be provided
- P2 agree with **partner agencies** common requirements for monitoring
- P3 ensure providers are competent to deliver the requirements of monitoring information
- P4 ensure that agreed monitoring information meets requirements for reporting to local, regional and national authorities
- P5 receive accurate and complete monitoring information in the format and at the intervals required
- P6 take appropriate **corrective action** in the case of deficiency in the monitoring information required
- P7 analyse the monitoring information supplied to identify where providers are, and are not, meeting contractual requirements for levels and **quality** of service
- P8 discuss the findings of your analysis in an open and constructive manner with the providers concerned
- P9 agree the actions they need to take to meet contractual requirements
- P10 take appropriate corrective action in the case of persistent failure by providers to meet contractual requirements
- P11 report on the performance of providers to local, regional and national authorities as required of services

#### Improve the effectiveness of services

#### You must be able to:

- P12 gather sufficient information to evaluate the **effectiveness of the services** provided
- P13 make an objective evaluation of the information in order to form a fair and valid judgement about the effectiveness of the services
- P14 make valid comparisons of the service with other comparable services
- P15 discuss the findings of your evaluations in an open and constructive way with the providers concerned
- P16 handle information in ways which maintain confidentiality
- P17 agree with providers ways in which they can improve the effectiveness of the services they provide within existing contracts
- P18 recommend ways in which the terms and conditions of future contracts should be changed to improve the effectiveness of services
- P19 report on your evaluation of the effectiveness of the services to local, regional and national authorities as required

# Evaluate the effectiveness of health, social or other care services

Knowledge and understanding	Rights	
You need to know and understand:	K1	legal and work setting requirements on equality, diversity, discrimination and rights
	K2	your role in promoting individuals' rights, choices, wellbeing and active participation
