Overview

This standard identifies the requirements when supporting children and young people to achieve their educational potential. This includes supporting children and young people to identify their educational aspirations then helping them to plan and access educational opportunities and activities. It also includes encouraging and supporting children and young people when they carry out educational activities and reviewing how effective the activities have been.
Support children and young people to achieve their educational potential

Performance criteria

Support children and young people to identify their educational aspirations

You must be able to:

P1 take account of the **child or young person's level of development** when supporting them to identify their educational aspirations

P2 explore with the child or young person and **key people** their interests, talents, abilities and beliefs and how these can relate to their educational aspirations

P3 encourage the child or young person to **communicate** the types of educational activities they are good at and what they would like to do in the future

P4 identify with the child or young person how they can build on their educational talents and interests

P5 support the child or young person to examine what they want to achieve in their life

P6 demonstrate to the child or young person that you have listened to and taken into account their views, experience, expertise and any difficulties they are facing

P7 demonstrate to the child or young person that you recognise their educational talents and interests

P8 support the child or young person to consider how education and their interests, talents and abilities could improve their **life chances**

P9 encourage the child or young person to identify aspirations for their educational prospects that are both realistic and motivating

P10 respond to changes in the child or young person's educational aspirations as they develop

Help children and young people to access educational opportunities and activities

You must be able to:

P11 support the child or young person to communicate their aspirations, concerns and fears about their education

P12 encourage the child or young person to identify any extra support they believe would help them to achieve their educational aspirations

P13 work in ways that promote **active participation** to plan with the child or young person educational activities that will help to overcome any difficulties they are having

P14 work with the child or young person, key people and **others** to negotiate and agree how best to meet the child or young person's
Support children and young people to achieve their educational potential

You must be able to:

P15 work with the child or young person, key people and others to select from the educational opportunities that are open to them in the short and medium term

P16 work with the child or young person, key people and others to plan for longer term educational needs

P17 contribute to identifying resources that are available to help meet the child or young person’s educational needs

P18 where resources are not available, work with the child or young person to identify other creative solutions to meet their educational preferences and needs

P19 work with the child or young person and others to identify how any concerns will be addressed when implementing planned educational activities

Support children and young people to carry out educational activities

You must be able to:

P20 provide the child or young person with agreed support to help them achieve educationally

P21 give positive feedback to the child or young person about their educational achievements and successes

P22 encourage key people and others to give positive feedback for such achievements and successes

P23 involve the child or young person, key people and others in recognising and rewarding educational achievements and successes

P24 support the child or young person to address aspects of their life that may undermine their educational efforts and achievements

P25 support the child or young person to overcome difficulties in any part of their education

P26 support the child or young person to complete educational activities, offering help and advice where required

Contribute to reviewing educational activities

You must be able to:

P27 monitor the implementation of planned educational activities

P28 support the child or young person to identify how what they have learned through educational activities will affect their life chances

P29 review with the child or young person, key people and others the outcomes of planned educational activities

P30 involve the child or young person, key people and others in negotiating, agreeing and implementing changes that need to be made to educational plans

SCDHSC0039
Support children and young people to achieve their educational potential

K18 how to manage ethical conflicts and dilemmas in your work
K19 how to challenge poor practice
K20 how and when to seek support in situations beyond your experience and expertise

Theory

You need to know and understand:
K21 the nature and impact of factors that may affect the health, wellbeing and development of children and young people you care for or support
K22 theories underpinning our understanding of human development and factors that affect it
K23 theories about attachment and its impact on children and young people

Personal and professional development

You need to know and understand:
K24 principles of reflective practice and why it is important

Communication

You need to know and understand:
K25 factors that can affect communication and language skills and their development in children and young people
K26 methods to promote effective communication and enable children and young people to communicate their needs, views and preferences

Health and Safety

You need to know and understand:
K27 your work setting policies and practices for monitoring and maintaining health, safety and security in the work environment
K28 practices for the prevention and control of infection in the context of this standard

Safeguarding

You need to know and understand:
K29 the responsibility that everyone has to raise concerns about possible harm or abuse, poor or discriminatory practices
K30 indicators of potential harm or abuse
K31 how and when to report any concerns about abuse, poor or discriminatory practice, resources or operational difficulties
K32 what to do if you have reported concerns but no action is taken
SCDHSC0039
Support children and young people to achieve their educational potential

You need to know and understand:

Handling information

K33 legal requirements, policies and procedures for the security and confidentiality of information
K34 legal and work setting requirements for recording information and producing reports
K35 principles of confidentiality and when to pass on otherwise confidential information

Specific to this NOS

You need to know and understand:

K36 how and where to access information and support that can inform your practice when supporting children and young people to achieve their educational potential
K37 how stereotypes can limit the child or young person’s educational development
K38 the educational provision for children and young people in general and specifically the provision relating to the children and young people with whom you work
K39 the importance of meeting educational needs for children and young people and the connection between education and life chances
K40 how the educational performance of looked after children and young people compares with educational norms
K41 theories relevant to the children and young people with whom you work, about identity and self-esteem, loss and change
K42 the effects of stress and distress on a child or young person
K43 environmental, physical, social, cultural and genetic factors that may enhance or impair children's and young people's educational development and achievement

K45 how children and young people learn and achieve through education and how this relates to other aspects of their development
K46 methods of encouraging children and young people's educational aspirations, talents and interests and positively supporting children and young people's successes and achievements
K47 methods of working with, engaging and sustaining a child or
Support children and young people to achieve their educational potential

young person's interest when supporting them to complete educational activities and programmes

K48 the importance of stable family, adult and peer relationships and the impact of disruption, including placement disruption on children and young people's educational achievements

K49 types of support for disabled children, young people and parents

K50 resources, information and advice to support children and young people's educational development and achievements

K51 the local educational provision and options available within that provision to support children and young people's educational needs

K52 roles and responsibilities of specialist agencies in identifying educational need, providing resources and/or advocating on behalf of the children and young people

K53 the type of opportunities that occur naturally that can be used to help children and young people in their educational development and achievement

K54 educational difficulties which may be experienced by children and young people who have been abused, neglected or are otherwise defined as “in need” and systems to address such difficulties
Additional Information

**Scope/range related to performance criteria**

The details in this field are explanatory statements of scope and/or examples of possible contexts in which the NOS may apply; they are not to be regarded as range statements required for achievement of the NOS.

Note: Where a child or young person finds it difficult or impossible to express their own preferences and make decisions about their life, achievement of this standard may require the involvement of advocates or others who are able to represent the views and best interests of the child or young person.

Where there are language differences within the work setting, achievement of this standard may require the involvement of interpreters or translation services.

**Active participation** is a way of working that regards all individuals as active partners in their own care or support rather than passive recipients. Active participation recognises each individual's right to participate in the activities and relationships of everyday life as independently as possible.

The **child or young person** from birth to 18 years of age who requires health and care services; also to 21 where the child or young person is still eligible through legislation or policy to receive children and young people's services.

To **communicate** may include using the child or young person's preferred spoken language, the use of signs, the use of symbols or pictures, writing, objects of reference, communication passports, other non verbal forms of communication, human and technological aids to communication.

**Key People** are those who are important to an individual and who can make a difference to his or her well being. Key people may include family, friends, carers and others with whom the individual has a supportive relationship.

**Level of development** includes the cognitive, linguistic, physical, social, emotional and intellectual level of the child or young person.

**Life chances** are the chances children and young people have to maximise and realise their full potential, educationally and socially.

**Others** are your colleagues and other professionals whose work contributes to the individual's well-being and who enable you to carry out your role.

**Scope/range related to knowledge and understanding**

The details in this field are explanatory statements of scope and/or examples of possible contexts in which the NOS may apply; they are not to be regarded as range statements required for achievement of the NOS.

**All knowledge statements must be applied in the context of this standard.**

**Factors that may affect the health, wellbeing and development** may include adverse circumstances or trauma before or during birth; autistic spectrum conditions; discrimination; domestic violence; family circumstances; foetal alcohol syndrome; harm or abuse; injury; learning disability; medical conditions (chronic or acute); mental health; physical disability; physical ill health; poverty; profound or complex needs; sensory needs; social deprivation; substance misuse.

**Values**

Adherence to codes of practice or conduct where applicable to your role and the principles and values that underpin your work setting, including the rights of children, young people and adults. These include the rights:

- To be treated as an individual
- To be treated equally and not be discriminated against
- To be respected
- To have privacy
- To be treated in a dignified way
- To be protected from danger and harm
- To be supported and cared for in a way that meets their needs, takes account of their choices and also protects them
- To communicate using their preferred methods of communication and language
- To access information about themselves
