SCDHSC0351 Implement development activities to meet individuals' goals, preferences and needs

Overview

This standard identifies the requirements when implementing development activities that will achieve individuals' personal goals and meet their preferences and needs. This includes working with individuals to identify development activities then planning, implementing and evaluating the activities through working in partnership.

Performance criteria	Plan devo preferenc	elopment activities to meet individuals' goals, needs and ces
You must be able to:	P1	support the individual to identify and communicate their goals,
	P2	preferences and needs in relation to development activities work with the individual and key people to identify a range of development activities that could meet their goals, preferences and needs
	P3	provide specific information on different development activities to enable a selection to be made
	P4	work in ways that promote active participation to select development activities that can best meet the individual's goals, preferences and needs
	P5	establish what resources are needed to implement the activities
	P6	agree required resources with others
	P7	seek creative solutions and additional support to address any gaps in resources where necessary
	P8	clarify your role and responsibilities and those of others in implementing the development activities
	P9	complete records and reports on actions and decisions, within confidentiality agreements and according to legal and work setting requirements
	Impleme	nt development activities with individuals
You must be able to:	P10	agree with the individual, key people and others how the selected development activity will be implemented
	P11	set up the environment for the activity
	P12	assist the individual to prepare for their participation
	P13	implement the activity according to agreed plans and in ways that promote the individual's active participation
	P14	observe the individual while they participate in the activity
	P15	support the individual to communicate aspects of the activity that they find helpful and unhelpful
	P16	support the individual to communicate changes in themselves that result from participating in the activity
	P17	record observations of the development activity and its impacts on the individual
	P18	modify the activity in order to maximise the benefits to the individual

Evaluate the effectiveness of development activities		
You must be able to:	P19	consult with the individual, key people and others to identify how and when the review should take place, who should be involved and what will be the indicators of success
	P20	work with the individual and key people to identify how they wish to be involved in the review and whether they require additional support to participate
	P21	ensure that the individual and key people have the information they need to prepare themselves to carry out the review
	P22	work with the individual and key people in identifying, collecting and analysing relevant information
	P23	work with other professionals and as part of a mixed-skill team to deliver, review and change developmental activities
	P24	use agreed indicators to evaluate together how effective the developmental activity has been in meeting the individual's goals, preferences and needs and in promoting their well-being
	P25	contribute to negotiating any changes required in the range, level, complexity and quality of the development activity
	P26	complete records and reports on the evaluation, recommending necessary changes, within confidentiality agreements and according to legal and work setting requirements

Knowledge and understanding	Rights	
You need to know and understand:	K1	legal and work setting requirements on equality, diversity, discrimination and rights
	K2	your role in promoting individuals' rights, choices, wellbeing and active participation
	K3	your duty to report any acts or omissions that could infringe the rights of individuals

Additional Information

Scope/range related to performance criteria

The details in this field are explanatory statements of scope and/or examples of possible contexts in which the NOS may apply; they are not to be regarded as range statements required for achievement of the NOS.

Note: Where an individual finds it difficult or impossible to express their own preferences and make decisions about their life, achievement of this standard may require the involvement of advocates or others who are able to represent the views and best interests of the individual.

Where there are language differences within the work setting, achievement of this standard may require the involvement of interpreters or translation services.

Active participation is a way of working that regards individuals as active partners in their own care or support rather than passive recipients. Active participation recognises each individual's right to participate in the activities and relationships of everyday life as independently as possible **Development activities:** intellectual activities and pursuits, activities that enable individuals to retain and regain their skills; activities that enable individuals to keep fit and mobile; activities that enable individuals to participate and interact with others

The **individual** is the adult, child or young person you support or care for in your work

Key people are those who are important to an individual and who can make a difference to his or her well-being. Key people may include family, friends, carers and others with whom the individual has a supportive relationship. **Others** are your colleagues and other professionals whose work contributes to the individual's well-being and who enable you to carry out your role The **work setting** may be in someone's home, within an organisation's premises, in the premises of another organisation, out in the community
