

Overview This standard identifies the requirements when you contribute to the provision of groups to support the care and well-being of individuals. This includes contributing to the promotion of existing support groups, contributing to forming groups to support individual needs and supporting individuals and groups in running their own groups

Performance criteria	Contribu	te to the promotion of existing support groups	
You must be able to:	P1	work with others to access information about support and	
		community groups that might be of value to individuals with differing health and care needs	
	P2	work independently to access further information about support and community groups that might be of value to individuals with differing health and care needs	
	P3	encourage existing groups to make their services known to others	
	P4	help individuals and key people to communicate their support needs and how existing support groups can meet these	
	P5	encourage individuals to make contact with existing groups that could meet their health and care needs	
	P6	support individuals to evaluate the effectiveness of the existing groups in meeting their needs	
	Contribu	te to forming groups to support individual needs	
You must be able to:	P7	support individuals and others to identify any gaps in the existing provision for which community groups could be developed	
	P8	encourage individuals to identify how they would go about developing their own support groups where there are gaps in the existing provision	
	P9	encourage individuals to check that people who they would wish to be involved are prepared to be part of the group	
	P10	follow work setting procedures to put individuals in contact with other people who may have the same interests, similar difficulties and purposes for a support group	
	P11	encourage newly formed alliances to explore the possibility of setting up a group to support the members, ensuring that you maintain confidential agreements	
	P12	assist individuals to develop their own support groups offering appropriate help and advice about the group's formation	
	P13	identify resources that could be accessed for particular support groups	
	P14	help individuals complete any paperwork to access resources for the development and running of the support group	
You must be able to:	Contribute to the running and evaluation of support groups		
	P15	provide advice and seek additional expertise to support the running	

of support groups

- P16 evaluate the amount of time and assistance you are able to give to the running of the support groups
- P17 make clear your responsibilities and commitment to the group
- P18 encourage individuals within the group to take on the responsibilities of running the group themselves
- P19 assist the group to identify its aims and objectives
- P20 assist the group to set up its own working practices
- P21 assist the group to outline the responsibilities of group members
- P22 assist the group to set up procedures to resolve disputes
- P23 assist the group to make their own decisions about the direction of the group
- P24 assist the group to decide who should be invited to be involved
- P25 help group members to resolve conflicts
- P26 help group members to provide an inclusive environment for group members
- P27 help group members to protect group members from the **risk** of **danger, harm and abuse**
- P28 support group members to evaluate the group's activities and usefulness to its members in meeting their support needs
- P29 help individuals to come to terms with their changing needs and circumstances, where appropriate
- P30 remove yourself from the group when it is sufficiently established to enable it to continue without your input
