

# Rubric: Engagement

Peer assessment on SSSC Open Badges

**[VIDEO]**

## Engagement

<b>Excellent</b> 2 points	<b>Satisfactory</b> 1 point	<b>Needs work</b> 0 points
<ul style="list-style-type: none"><li>Actively encouraged and enthused others to learn more about the subject.</li></ul>	<ul style="list-style-type: none"><li>Involved others in their learning eg manager, supervisor, peers or people who use their service.</li></ul>	<ul style="list-style-type: none"><li>No mention of discussions with others during the course of the learning.</li></ul>

## **Engagement - needs work indicators**

- Learner does not appear to have discussed what they learned with anyone.
- Learner has not promoted or raised awareness of the learning opportunity.
- Learner mentions discussions with others but either in a historical context or in some other way irrelevant to their activities for this badge.

## Engagement – satisfactory indicators

- Learner has discussed their activities **for this badge** with either colleagues, their manager or tutor and has written something about this discussion.
- Learner sought feedback from people using their service during the course of the learning and used this to inform how they can improve their practice.
- Learner mentions at least one thing they will do to promote the learning resource to others.

## Engagement – excellent indicators

- Learner talks in some detail about the discussion they had.
- Learner explains how the discussion influenced the actions they intend to take to improve their practice.
- Learner takes the lead within their workplace to promote the same learning opportunity to others and has already encouraged people to take part.
- Learner helps to encourage and facilitate discussions amongst others working towards the same badge.

## Activity 6

Read the example submissions. How would you score these for engagement?
