

Rubric: Links to policy

Peer assessment on SSSC Open Badges

[VIDEO]

Links to policy

Excellent 2 points	Satisfactory 1 point	Needs work 0 points
<ul style="list-style-type: none">▪ Excellent insight into the impact of relevant policy on practice in this area.	<ul style="list-style-type: none">▪ Mentions own organisation's or national policies, procedures, standards or regulations.	<ul style="list-style-type: none">▪ No mention of links to own organisation's or national policies, procedures, standards or regulations.

Links to policy - needs work indicators

In their evidence submission the learner **makes no reference to** any of the following:

- their workplace policies or procedures
- relevant legislation on the topic
- national guidance or strategies
- the SSSC Codes of Practice
- the Health and Social Care Standards
- the last inspection report for their workplace.

Links to policy – satisfactory indicators

In their evidence submission the learner **mentions** at least one of the following **and why it is relevant** to what they have just learned about:

- their workplace policies or procedures
- relevant legislation on the topic
- national guidance or strategies
- the SSSC Codes of Practice
- the Health and Social Care Standards
- the last inspection report for their workplace.

Links to policy – exceptional indicators

- Learner explains how they will use the policy mentioned to deliver significant improvements to their own practice.
- Learner identifies something they can do to improve outcomes for people using their service and is clear about how they will achieve this.
- Learner identifies improvements needed to their workplace policies and procedures as a result of what they have learned. They need to take responsibility for progressing these improvements.

Activity 5

Read the example submissions. How would you score these for links to policy?
